Today we are making a buckle card with a unique closing. This card also folds flat to fit into a standard C6 envelope.

Stampin' Up! supplies used:

- * Birthday Goodness Stamp Set <http://bit.ly/35AW0fB>
- * Layering Oval Dies <http://bit.ly/2Ip5vUA> and Magnolia Memory Dies <http://bit.ly/2EQivBQ>
- * Classic Label Punch <http://bit.ly/2PYk5YF>
- * Melon Mambo and Whisper White cardstock
- * Champagne Foil Sheets <http://bit.ly/2pYJcR8>
- * Memento Black, Black Stazon and Versamark Ink Pads
- * Light Crumb Cake and Light Lovely Lipstick Stampin' Blends
- * See a Silhouette DSP <http://bit.ly/2EZP0gR>
- * Heat Tool <http://bit.ly/2KRHhC4>
- * White Stampin' Emboss Powder <http://bit.ly/2PXvKnI>
- * Rhinestone Basic Jewels <http://bit.ly/2M7frSU>
- * Shimmery Crystal Effects <http://bit.ly/2PYk5YF>

Instructions

1. Prepare a side folding, landscape orientation card by cutting an A4 piece of Melon Mambo cardstock in half vertically and folding in half with a bonefolder.
2. Cut 2 pieces of the See a Silhouette Scenes DSP each piece measuring 10.2cm x 14.3cm.
3. Adhere just one piece at this stage: to the top of the card allowing a small border of Melon Mambo cardstock to show.
4. Place the curved edge die from the Magnolia Memory Dies at 8.5cm from the top left edge of the card. Run through your die cutting machine.
5. Stamp the plate of Donuts in Memento Black ink onto thick Whisper White cardstock. Colour the Doughnuts with Crumb Cake Stampin Blends and Flirty Flamingo for the icing.
6. Stamp the image again onto Champagne foil, using Black Stazon. Cut out with paper snips and adhere over the tray part of the coloured image.
7. Cover the icing part of the Donuts with Crystal Effects and set aside to dry.
8. Cut the image out with the second largest Layering Oval die. Cut a scalloped oval in Melon Mambo using the largest scalloped oval die and adhere the stamped image piece to this.
9. Using the Classic Label Punch, line it up centred against the die cut edge and push in as far as it will go. Punch through the top DSP and cardstock layer.
10. Cut a piece of Melon Mambo cardstock 4.5cm x 17cm.
11. Score at 5cm and fold inwards.
12. Rub your embossing buddy over the front of the longer piece, and then stamp your greeting in Versamark. on the right hand side of the longer scored piece. Cover with white embossing powder and shake off excess. Heat with a heat tool to complete the white embossed greeting.

13. Adhere (with Multipurpose glue or Snail) the outside of the smaller section of the scored piece onto the right hand centre of the inside of right side of the inside of the card.
14. Now adhere the second piece of DSP over the top, allowing a small border to show around the outside,

15. When the card closes, the end of the cored piece fits through the piece you cut with the Classic Label Punch.

16. Using foam Dimensionals, adhere the stamped oval cut piece over the top of the punched area. I adhered at the top, bottom and left side to allow it to close ok. Make sure the oval piece is also centred in the front piece of the card.

17. Cut a piece of White cardstock 6.8cm x 9.3cm.
18. Adhere it to a piece of Melon Mambo cardstock and trim to leave a very small mat around the outside.
19. Adhere to the inside of the card on the left hand side so it is fully covered when the card is closed.
