Today we are making a box perfect for a small gift for a golf enthusiast. It is designed to fit a packet of 3 standard sized golf balls (the brand I based it on was Callaway).

The new Country Club suite in the 2020 January to June mini Catalogue is perfect for this project.

Use the template over the page to cut and score, and there are some brief directions too.

Base card is piece of cardstock 21cm x 23cm. **Score on the dotted lines, cut on the solid lines. Fold all the black score lines outward.** (Not to scale). The **red T** shows where the Tear and Tape adhesive (great for boxes) needs to be placed (on the same side of the cardstock that the DSP is stuck onto)
