I can't get enough of the gorgeous Wonderful World Saleabration bundle, so I have used it today on a Split Panel card. I have also used a watercolour technique, as it's World Watercolour month this month. Remember you can earn this bundle for FREE with a \$180 order (in Australia) before postage during Saleabration which is on in July and August

Step by Step Instructions:

1. Start with a top folding C6 (or 4 & 1/4" x 5 & 1/2") Pear Pizazz card.
2. Measure 4.4cm (1 3/4") from the top and bottom on the card front and cut horizontally.
3. Hold the base piece in place (in line with the bottom of the card) using a paperclip for now.
4. Cut a piece of the Pear Pizazz patterned DSP 10.2cm x 14.5cm (or 4" x 5&1/4") and adhere to the inside of the card.
5. Cut 2 pieces of floral DSP 10.2cm x 4.1cm (or 1&1/2" x 4") and adhere to the top and bottom front piece.
6. Cut a piece of Fluid 100 watercolour Paper in half so you have a piece 3.5 x 5".
7. Emboss the cornflower floral image in white embossing powder onto the front.
8. Spritz the front with water (or alternatively use a water-painter to add water).
9. Squeeze your Orchid Oasis ink pad so some ink accumulates in the lid. Add some water with your water painter (the widest brush one) to make a watery wash. Brush over the embossed image and tilt to allow the water to flow around. Allow to air dry (you can hurry things up with a heat tool if needed).
10. Once dry, cut this out with the second largest Scalloped Contour die.
11. Attach this die cut onto a piece of Pear Pizazz cardstock with Dimensionals. My piece was 8.4cm x 11.7cm (or 3&1/4" x 4&5/8").
12. Tear a strip of the Pear Pizazz patterned DSP about 1/2" wide and 4" long. Adhere over the bottom of the die cut.
13. Emboss the birthday sentiment from Potted Geranium bundle in white embossing powder onto Pear Pizazz cardstock. Cut out with the coordinating stitched label in the Geranium dies.
14. Attach the sentiment label (with Dimensionals) over the top of the torn DSP.
15. Attach a small double linen bow to the right bottom corner of the label.
16. Attach a rectangle of Basic White cardstock 8cm x 11cm (or 3&1/8" x 4&3/8") on the inside of the card so it is hidden by the stamped panel on the front of the card.
